MAHENZO PURIFIED DRINKING WATER

# COMPANY CATALOGUE

## ABOUT US

Mahenzo is a Kenyan Based Company that processes and sells purified drinking water (refills and bottled) using state of the art technology hence ensuring clean, high quality & healthy products.

## PROCESS

The process involves use of sand & carbon filters, reverse osmosis and ultraviolet light to give you (our customers) hygienic crisp & pure drinking water that meets market demands and standards.

## WHY CHOOSE US

The Company maintains high standards of integrity and aim to satisfy our customers by offering impeccable service and to be a leading bottled water producer through quality products, services, and innovation.

## CERTIFICATION

The Company has been certified by Kenya Bureau of Standards (KEBS) and all other relevant regulatory bodies to guarantee water composition from source to all consumer touch points.
